MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers,
Wingham Brush Public is in the process of collecting data and developing the strategic direction for the next three years. To assist this planning the school will evaluate its progress to date and plan a strategy that focuses on the school's continued success in the areas of improving learning, engagement and wellbeing for our students.

All parents and carers of children attending Wingham Brush Public are invited and welcome to come along to our **Parent Forum** being held on **Wednesday 1 November 1:30- 3pm**. I am willing to hold another forum after school hours to accommodate working parents if you are unable to attend. Please let the school know if this is an option you are interested in.

We value the opinions and feedback from parents and we seek to represent the collective voice of parents and carers. This forum will be an opportunity to provide the school with feedback on their experience with the school and offer suggestions to contribute to the development of strategies for future success.

Your input will play a vital role in influencing, supporting and enhancing the development and learning of all children.

'I think it's very important to have a feedback loop, where you're constantly thinking about what you've done and how you could be doing it better.' – **Elon Musk**

Regards,
Kylie Seaman
