MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers,
Tomorrow we will be celebrating **Education Week**. The week highlights the achievements of public education, putting the spotlight on our students, our educators. This year's theme is "Every student, every voice". Student empowerment is at the heart of this process and reflects how a student's voice actively shapes their educational journey. Parents, family, friends and community are welcome on Thursday 9:30am for a special assembly, class visits and shared morning tea. We hope you can join us.

Signs

Throughout the school, we have new signage displaying our school values and behaviour expectations. A big thankyou to

Robbie Crane for the sensational artwork in bringing our mascot 'Brushie' to life.

Uniform

Part of displaying our school values is wearing our school uniform with pride. We encourage students to wear the correct uniform to school including jumpers, jackets and hats. The uniform is a big part of belonging and has an impact on student behaviour and attitude.

Morning Drop off

Parents are encouraged to drop students at school and leave quickly to allow students to meet with friends and prepare for the day without extended goodbyes. Parents at assemblies are a distraction. We endeavour to support students in

becoming more independent and resilient in school life and this is the first positive step. Please assist us by leaving before the music has finished for line up time.

ZONE ATHLETICS CARNIVAL

Last Friday August 2, we sent 37 students to the Zone Athletics Carnival in Tuncurry. It was a great day with all students trying their best. Some students came very close to progressing through to the next level. Congratulations to Aliesha Bell and Jack McAuliffe making it through to the PSSA Hunter Carnival on August 30 in Glendale. Aliesha made it for high jump and the 100m, and Jack made it for long jump. We wish our two competitors all the best in 3 weeks time.

KINDER ENROLMENTS 2020

Preparation is underway for Kindergarten 2020 orientation days. If you have a child starting Kindergarten next year, please advise the school as soon as possible. Orientation days begin Wednesday September 11.

BOOK WEEK

BOOK WEEK PARADE AND BOOK FAIR

Family and friends are invited to our Book Week parade on Tuesday August 27 at 9.30am in the hall. The theme this year is "Reading is My Secret Power". The children can choose their favourite book and dress up as one of the characters. A book fair will be held in the library from Monday August 26 to Wednesday August 28. The fair will be open from 9am to 3pm each day and wish lists will be sent home with each child.

JEANS 4 GENES DAY

To be held Friday August 9. Students can wear jeans for the day with their school shirt and make a gold coin donation. Every dollar collected from your efforts helps us give hope to the 1 in 20 kids facing a birth defect or genetic disease. Research is the key to turning genetic diseases from "incurable" to "curable".

P&C CANTEEN

We are happy to inform you the canteen will be open now every Wednesday, as well as every Thursday and Friday. We would still like some extra helpers if anyone is available on these days.

3/4H

This semester our class will be represented by Drew Thompson and Eva-Lafaye Christiansen as part of our SRC.

3/4H really enjoyed partaking in the NRL and basketball skill lessons throughout last term.

This Term, we have started work on our Passion Projects. This is an opportunity for students to select an area of interest and explore, create and present their findings toward the end of term.

100 Days of School

Recently our kindergarten students celebrated 100 days of school. On this day the students came to school dressed like 'Old People' and spent the day engaged in all types of activities involving the number 100.

They made paper chains and fruit loop necklaces. They built towers using plastic

cups and wrote stories about what they would do with \$100. They sorted, counted and collected groups of 100 using mini marshmallows, chocolate buds, skittles, pretzels, jellybeans and lots of other tiny edible objects. It was a fun day!

COMMUNITY NEWS DENTAL PRESENTATION

Smile Craft Dental, Suite 1, 101 Isabella Street Wingham will be conducting a free presentation evening titled "The Importance of Childhood Oral Hygiene and the Role of Parents" on Thursday 15 August between 5:30pm and 6:30pm.
