MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers,

We are quickly moving towards the end of another productive and exciting term. Last week we said **goodbye to Ms Tahlicia Johnston** who will be taking up another position in the department. We wish her all the best in her next venture. We will miss her.

Mrs Boyd will be on class Monday to Wednesday and Miss Sadler will be taking the class on Thursday and Friday each week for the remainder of the school year. I am confident that they will continue to help the students grow and learn.

NAPLAN results will be sent home to parents next week. NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling, grammar and numeracy. It is important to remember that NAPLAN is not about passing or failing, but about assessing learning progress.

Notes for the **Intensive Swimming Scheme** that is running next term will be sent home next week. Students, specifically in Year 2, are being encouraged to participate. Swimming and water awareness in our environment are essential skills that our children need. Please think seriously about including your child. If you require support financially, please come in to discuss.

Mr Paul McWhirter will be Relieving Principal next week as I am taking leave for my son's wedding.

I hope you all have a safe and relaxing holiday with family and friends. We look forward to seeing you next term for a full and engaging term to conclude the year.
